Longer living

- **Double Active Calc System:** Prevents and flushes out scale particles

Fast and powerful ironing

- **Power for quick heat-up and constant high steam:** 2400 W

Technical specifications

- **Voltage:** 220-240 V
- **Power:** 2400 W
- **Frequency:** 50-60 Hz
- **Water tank capacity:** 335 ml

Product highlights

Ionic DeepSteam

The ionization process creates smaller steam particles that reach deeper into the fabric. This means even the toughest creases are removed easily.

Steam tip

The unique steam tip combines a particularly pointed front of the soleplate with special elongated steam slots in the tip, to reach right into the smallest and most difficult areas for the best ironing results.

Automatic safety shut-off

The electronic safety shut-off automatically switches the iron off when it is left unattended or tips over.
